HOW TO DECLARE A LOSS (i.e. HOW TO FILE A CLAIM)

When the insurance cover is likely to be invoked, the insured party must:

- Give Gritchen Affinity written notice of any loss likely to result in a claim within **10 working days** (this period is reduced to two days where theft is involved).

These time periods start to run when the insured party becomes aware of a loss that qualifies for cover.

After this period, the insured party forfeits any rights to compensation if the delay has caused a loss to the Company.

Inform Gritchen Affinity on your own initiative of any cover taken out with other insurers for the same risk.

Appendix to article A. 112-1

Advice on exercising your right to a waiver as provided for under article L. 112-10 of the Insurance Code.

Please check that you do not already have cover insurance for any of the risks covered by the new contract. If this proves to be the case you are entitled to terminate this contract during the fourteen calendar days from the date it was signed. No charge or penalty is payable if all the following conditions have been met:

- you signed the contract for non-work-related purposes
- the contract came with the purchase of goods or services you have been sold by a supplier
- you can show that you are already covered for one of the risks insured by this new contract
- the contract you wish to cancel has not been fully performed
- you have not notified any claim covered by this contract.

If these conditions are met, you can exercise your right to cancel this contract by letter or in any durable medium sent to the insurer of the new contract, together with documentary proof that you already have cover for one of the risks guaranteed by this new contract. The insurer must reimburse you the premium paid within thirty days of cancellation.

If you wish to cancel your contract but do not meet all the above conditions, please check the cancellation procedure stipulated in your contract.

Additional information:

The cancellation letter (see template below) to exercise this right must be sent by post or in any durable medium to Gritchen Affinity (Rue Charles Durand - BP 66048 - 18024 Bourges CEDEX):

"I the undersigned Mr/Ms.....residing at (address)hereby cancel my contract No.....taken out with Allianz IARD pursuant to Article L 112-10 of the French Insurance Code. I solemnly declare that on the date of this letter I am not aware of any claim covered by the contract."

Consequences of cancellation:

Exercising your right to cancel within the period given in the above box will result in the contract being cancelled as of the reception date the letter or any other durable medium. Once you become aware of a loss covered by the contract, you can no longer exercise this right to cancel.

In the event of cancellation, you will only be liable for the payment of the part of the premium or contribution for the period during which the risk was covered, this period being calculated up until the cancellation date.

The entire premium or contribution will, however, be payable to the insurance company if you exercise your cancellation right when a loss of which you were unaware occurs that brings the contract cover into application during the cancellation period.

HOW IS YOUR COMPENSATION CALCULATED?

If the compensation cannot be determined by private agreement, it is assessed through an out-of-court appraisal, subject to our respective rights being reserved.

Each of us chooses an appraiser. If the appraisers do not agree with each other, they call upon the services of a third appraiser, and all three of them operate jointly and by majority vote.

Should one of us fail to appoint an appraiser or should the two appraisers not agree on the choice of a third appraiser, the appointment is made by the Presiding Judge of the Regional Court (Tribunal de Grande Instance), ruling in summary proceedings. Each of the contracting parties bears the cost of the fees of its appraiser, and, where applicable, half the fees of the third appraiser.

WITHIN WHAT TIME LIMIT WILL YOU RECEIVE THE COMPENSATION?

Payment will be made within 15 days of the agreement reached between us, or as of the notification of the enforceable court decision.

WHAT PENALTIES ARE APPLICABLE IN THE EVENT YOU MAKE A FALSE DECLARATION OR CLAIM AT THE TIME OF THE LOSS?

Any fraud, reticence, or intentional false declaration by you about the circumstances or the consequences of a loss shall result in loss of any right to benefit or compensation for that loss.

LIMITATION PERIOD APPLYING TO ACTIONS DERIVING FROM THE INSURANCE CONTRACT

The provisions governing the period of limitation applying to action deriving from the insurance contract are laid down by Articles L 114-1 to L 114-3 of the French Insurance Code (Code des assurances), these articles being reproduced below:

Article L 114-1 of the French Insurance Code:

Any action deriving from an insurance contract is barred by limitation two years after the event giving rise to the claim.

However, this period of limitation applies:

- 1 In the event of reticence/concealment, omission, misrepresentation or inaccurate declaration of the risk run, only from the date on which the Insurer became aware of the said risk;
- 2 In the event of an insurance loss, only from the date on which the interested parties became aware of it, if they can prove they were unaware of it until then.

When the action brought against the Insurer by the Insured Person is caused third-party recourse, the period of limitation starts only on the date on which the third party brings legal action against the Insured Person or has received compensation from the latter. The period of limitation is increased to 10 years in life assurance contracts when the beneficiary is a person distinct from the Policyholder, and, in insurance contracts for personal accidents, when the beneficiaries are also legal beneficiaries of the deceased Insured Person.

For life assurance contracts, and notwithstanding the provisions of point 2 above, the beneficiary's right to bring action lapses at the latest 30 years after the death of the Insured Person.

Article L 114-2 of the French Insurance Code:

The period of limitation may be interrupted by any of the ordinary causes for interruption thereof, and by appointment of loss adjusters further to a claim. The period of limitation may also be interrupted by

the Insurer sending the Insured Person a registered letter with acknowledgement of receipt demanding payment of the premium, or by the Insured Person sending one to the Insurer demanding payment of compensation.

Article L 114-3 of the French Insurance Code:

Notwithstanding Article 2254 of the Code Civil (French Civil Code), the parties to the insurance contract may not, even by common consent, either change the length of the period of limitation or add causes for suspension or interruption thereof.

Additional information:

The ordinary causes for interruption of the period of limitation referred to in Article L 114-2 of the French Insurance Code are stated in Articles 2240 to 2246 of the French Civil Code, these articles being reproduced below.

To find out about any updating of the aforementioned provisions, please consult the official website www.legifrance.gouv.fr.

Article 2240 of the French Civil Code:

Recognition by the obligee of the right of the person against whom the obligee could claim inaction within the time limit interrupts the period of limitation.

Article 2241 of the French Civil Code:

Instigating legal proceedings, even summary proceedings, interrupts the limitation period (délai de prescription), i.e. the time limit for bringing claims or actions in a particular matter, and also any period (délai de forclusion) beyond which a particular right is forfeited if it is not exercised, e.g. the right to appeal.

The same applies when the matter is brought before an incompetent jurisdiction, or when referral to the said court is nullified due to procedural irregularity.

Article 2242 of the French Civil Code:

Interruption resulting from instigating legal proceedings is effective until the proceedings end.

Article 2243 of the French Civil Code:

The interruption is null and void if the petitioner withdraws the petition or lets the proceedings lapse, or if the petition is dismissed finally.

Article 2244 of the French Civil Code:

The period of limitation or the debarment period is also interrupted by protective measures being taken pursuant to the Code des procédures civiles d'exécution (French Code of Civil Enforcement Procedures) (, or by an enforcement being ordered.

Article 2245 of the French Civil Code:

One of the jointly and severally liable obligors being summoned or notified through legal proceedings or through an enforcement order, or recognition by the obligor of the right of the person against whom the obligor could claim inaction interrupts the period of limitation against all the others, even against their heirs.

Conversely, one of the heirs of a jointly and severally liable obligee being summoned or notified, or that heir recognising such a right does not interrupt the period of limitation with regard to the other co-heirs, even for mortgaged debt, if the obligation is divisible. Such summons/notification or such recognition interrupts the period of limitation with regard to the other co-obligees only for the share for which that heir is liable. In order to interrupt the period of limitation for the entire obligation with regard to the other co-obligees, the summons or notification needs to be made to all the heirs of the deceased obligee, or all the heirs need to recognise this right.

Article 2246 of the French Civil Code:

Summons or notification made to the main obligee, or the main obligee recognising the right in question interrupts the time limit for taking action against the guarantor.

COURTS OF COMPETENT JURISDICTION – GOVERNING LAW

The pre-contractual and contractual relations are governed by French law and primarily by the French Insurance Code.

SANCTIONS IN THE EVENT OF FALSE STATEMENT

Any intentional false statement, omission or inaccurate statement of the circumstances of the risk incurs penalties provided for by the Insurance Code:

- Nullity of your contract in the event of intentional false statement (article L113-8 of the Insurance Code);
- If it is not established that the misrepresentation is intentional, and the misrepresentation is detected before any claimable loss occurs, the contribution (premium) is increased or the contract is cancelled (article L 113-9 of the Insurance Code);
- If the intentional false representation noted after any claim is not established, reduction of your payouts by the difference between the contribution paid and the contribution that would have been paid had the statement been true (article L 113-9 of the Insurance Code).

LANGUAGE USED

The French language shall be used in all pre-contractual and contractual relations.

Pursuant to the Informatique et Libertés (French data protection) law of 6 January 1978 amended by the law of 6 August 2004 and the Monetary and Financial Code, you have the right to access your particulars and can exercise this right by writing to the CNIL (the French data protection authority).
